YOUR RIVER CRUISE SHIP

Maintaining high standards for quality and comfort, Tour cruise ship cruises exclusively foron the Rhine River. With a maximum of 130 guests, the 443-foot riverboat and her sister ships continue our tradition of providing more space per guest on Europe’s inland waterways, transporting fewer passengers than most longships (135 meters). Her deck plan is innovative; with a total of 67 cabins, our most popular cabins tend to be our largest... so we have used the added ship length to offer twenty-two 300-square-foot Tauck Suites – the most of any river cruise ship on any European river. To increase the amount of natural sunlight on the lower deck, 8 loft cabins that extend from the first to the second decks, providing guests with an additional view; all windows in these loft cabins open.
