Voyager of the Seas

Voyager of the Seas is a large floating island resort that berths at the larger ports. It has all the signature features of Royal Caribbean International – including huge Solarium, ice-skating rink, rock-climbing wall, huge Show Lounge, Royal Promenade shopping mall, and street entertainers. The ship is family-friendly, with large facilities for children and teens. It caters for large conferences, Wi-Fi ship wide, wheelchair access, and also couples wishing to tie the knot in the wedding chapel. Though large, the ship offers a good passenger space ratio. Décor throughout is warm and attractive and you'll need good walking shoes to become familiar with the many public spaces. Some cabins have interior views overlooking the shops and cafés. Though carrying over 3000 guests, dining, entertainment and activity centre are spread throughout the ship and elevators are fast.
